

STEP-BY-STEP LEARN HOW TO DRAW A CARTOON DOG

Follow the red lines in each picture to learn what to draw for each step. The lines drawn in the step before are in grey.

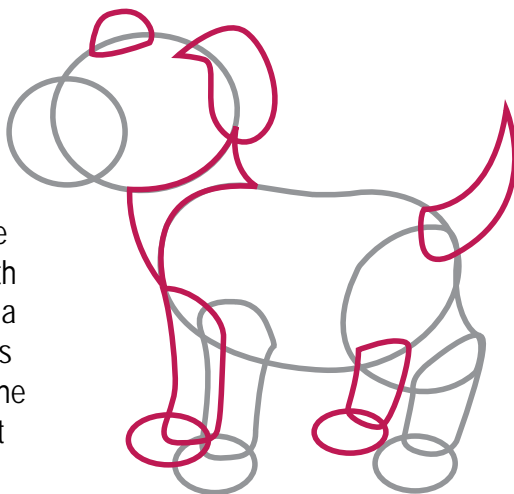

STEP 1:

Draw a bean shape for the body, and ovals for the head and snout.

STEP 2:

Draw the shapes for a front leg and back leg, then add ovals for the paws.

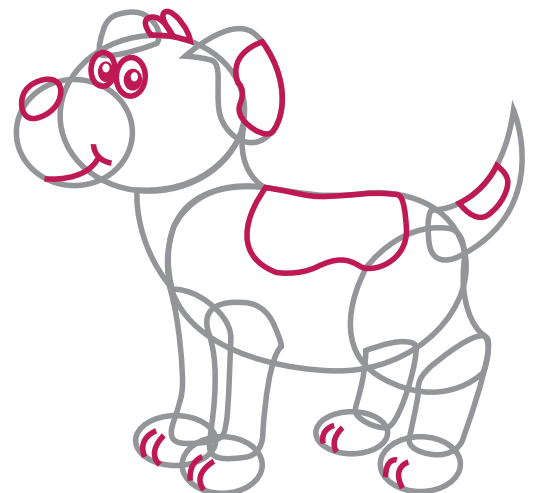

STEP 3:

Draw curved ear shapes. Connect the head to the body with some lines and add a tail. Draw the shapes for the two legs on the other side, and don't forget his paws!

STEP 4:

Add the finishing details! Eyes, nose, mouth, toes, spots & hair.

STEP 5:

Trace the pencil lines with a felt tip pen, and erase any lines you don't want to keep. You can colour him in or keep practicing!
