

STEP-BY-STEP LEARN HOW TO DRAW A CARTOON DOG FACE

Follow the red lines in each picture to learn what to draw for each step. The lines drawn in the step before are in grey.

STEP 1:

Draw a small stick figure with small legs and no arms.

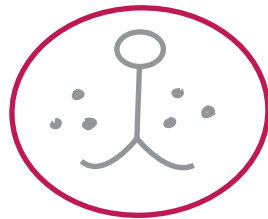

STEP 2:

Draw three dots on each side of your stick figure.

STEP 3:

Draw a circle around the stick figure. Make sure none of the figure or dots touch the circle.

STEP 4:

Create two half circles attached to the top of the big circle. These will be the eyes.

STEP 5:

Draw a semi-circle around the eyes you have drawn.

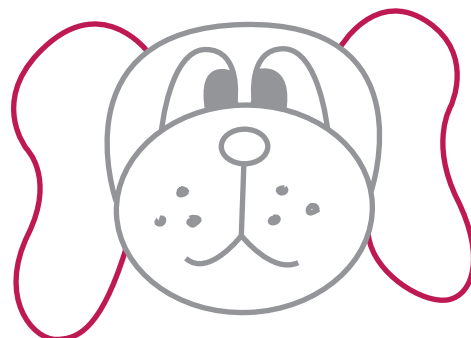

STEP 6:

Add two small dots in the centre of the eyes for pupils.

STEP 7:

Make some ears. They can be floppy, point, however you want them!
